

POSOW Train the Trainers Course

The project for Preparedness for Oil-polluted Shoreline clean-up and Oiled Wildlife interventions – POSOW aims at establishing a regional cooperation synergy through the enhancement of knowledge and capacities of operators (professionals and volunteers) in the field of marine pollution, in European coastal countries of the Mediterranean Sea namely Croatia, Cyprus, France, Greece, Italy, Malta, Slovenia and Spain. In order to create this regional synergy and build regional task forces of trainers, a training team (Civil Protection, regional / local authorities and specialized wildlife response NGO) from each region will receive a dedicated training on Volunteer management , Oiled Shoreline Assessment and Cleanup and Oiled Wildlife Response, as detailed in the programme below:
