

POSOW

Preparedness for Oil-polluted
Shoreline cleanup and
Oiled Wildlife interventions

OIL SPILL VOLUNTEER MANAGEMENT

THE ROAD TO VOLUNTEERING

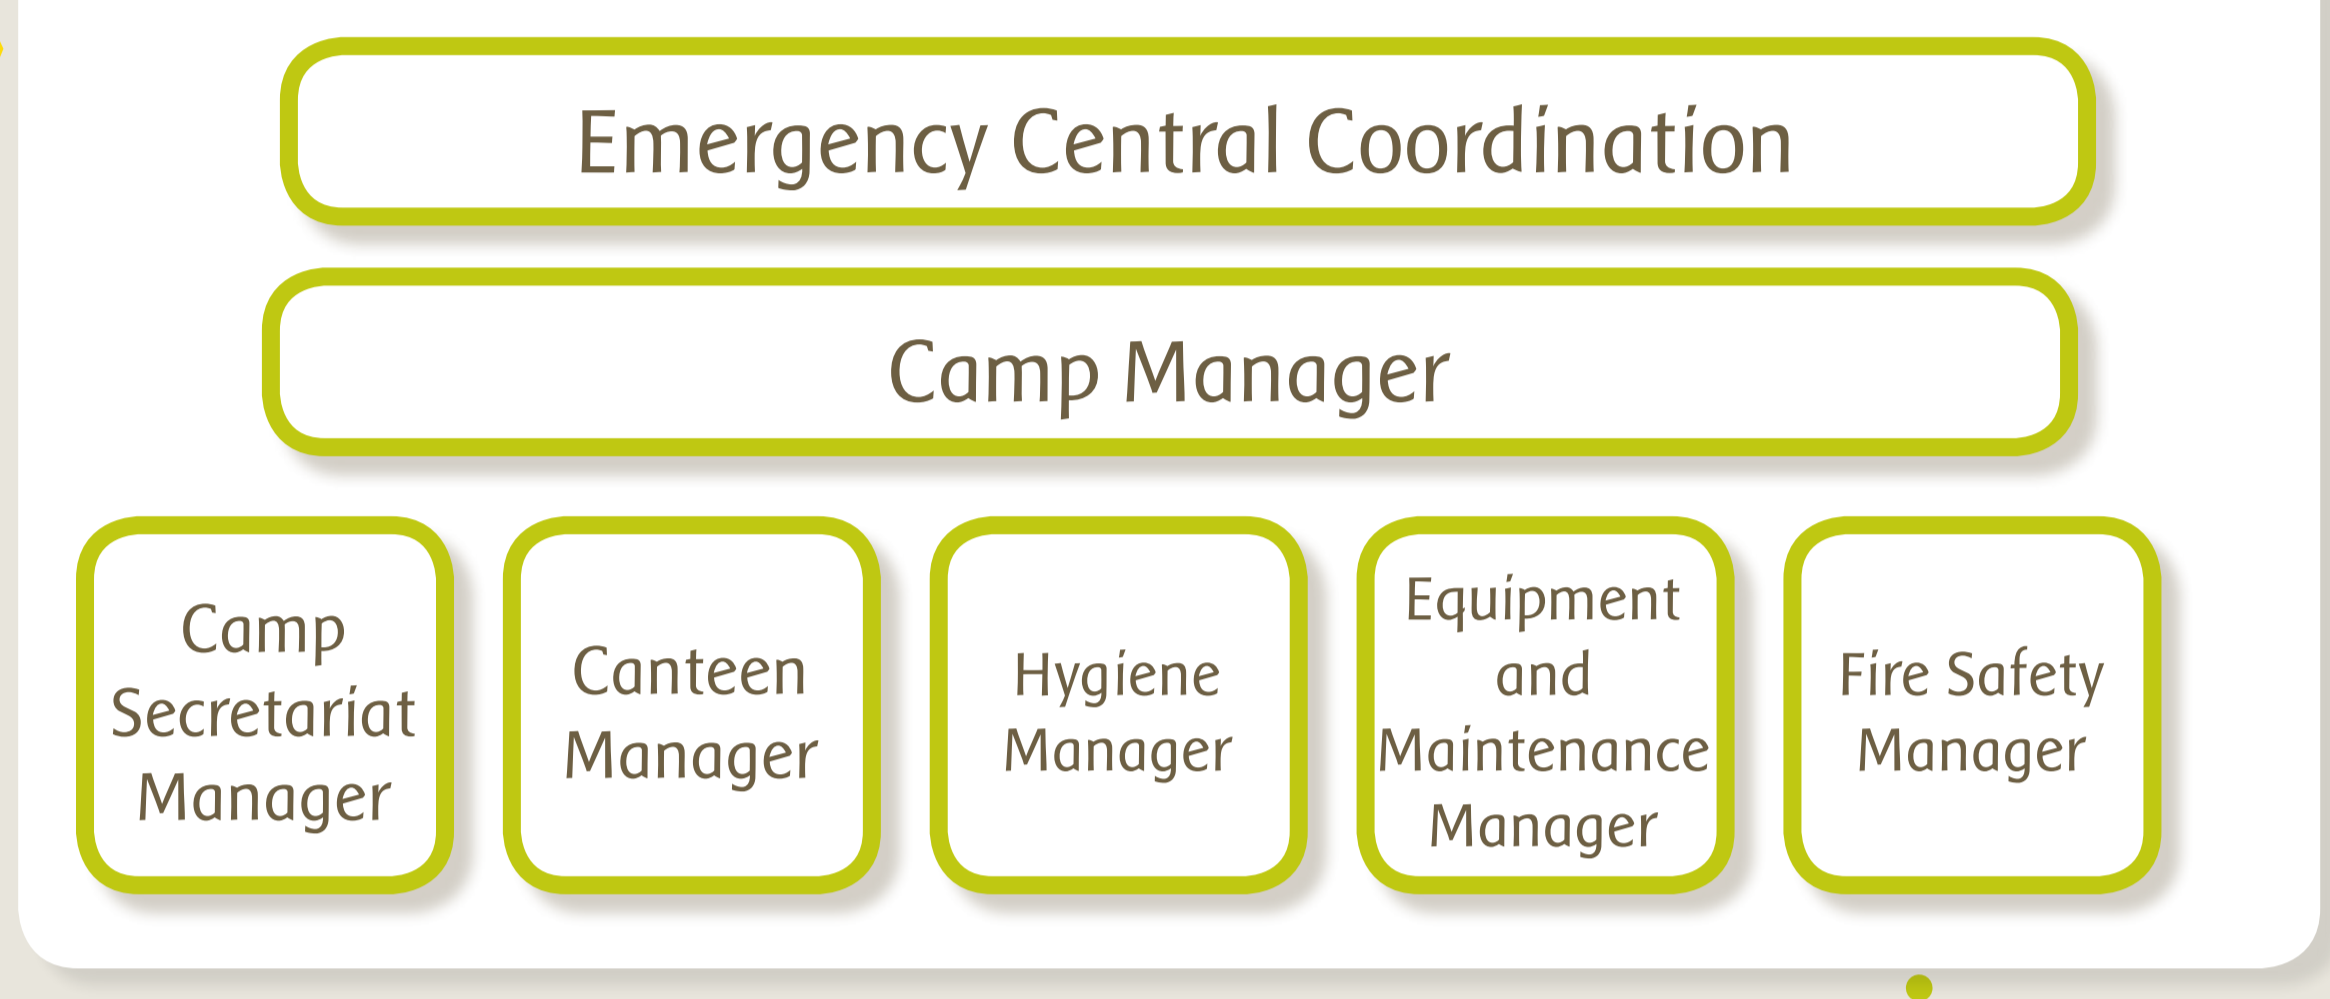

STEP BY STEP

BEFORE
GOING
ON SITE

1 Logistics

- Registration at the Camp Secretariat:
 - Date of arrival
 - Personal data and contact information
 - Association reference
 - Team contact person
 - Registration plate and model of the vehicles (if used)
 - Reception area reference
- Accommodation and catering:
 - Tent, public facilities or local tourist accommodation
 - Declare specific needs (religious, cultural, health, food...)

For the management of the area, it is recommended that a Camp Manager, operating under the Emergency Coordination and Technical Area Managers are appointed.

2 On-site Transportation

- Collective transport system provided by Authorities (shuttles, public transport companies)
- Private vehicles (volunteers and/or associations) when authorised

- Volunteer integration in the chain of command
- Familiarization and on-scene training ("briefing" the days after)
- Roles and tasks (who is doing what and how?)
- Wearing the appropriate PPE
- Work activities
- Decontamination
- Debriefing and lessons learnt (to improve every day)

WHEN
ON SITE

AT
THE END

- Report your experience/suggestions
- Return any equipment/pick up private goods
- Certificate for Volunteering

POSOW is a project co-financed by the EU under the Civil Protection Financial Instrument developed in cooperation with ISpra, Cedre, Sea Alarm and CPMR and coordinated by REMPEC, a regional Centre of the Barcelona Convention
